

This architectural elevation drawing shows a building facade with a rhythmic pattern of vertical wooden slats and horizontal window bands. The facade is divided into sections marked A through G. Key dimensions include a total height of 8.75m (28'9") and a ground level of +0.00. A small landscape sketch on the left shows trees and figures, with a height of 3.91m (12'8") indicated. The drawing also shows a staircase and a small entrance area on the right side.
