

Technical drawing showing the dimensions and components of a wall-mounted mirror assembly. The main view is a top-down layout with the following dimensions:

- Overall width: 120
- Overall height: 90
- Top section width: 47 (left), 73.5 (center), 24.5 (right)
- Top section height: 1
- Left side height: 28, 29, 29
- Right side height: 1
- Central mirror area width: 42
- Central mirror area height: 38
- Side panel width: 2.5 (left), 2.5 (right)
- Bottom section width: 2.5 (left), 2.5 (right)
- Bottom section height: 2

The central mirror area is labeled "Spiegel". The side panels are labeled "Seitenblende". A note indicates: "Seitenblende ist auch unterhalb zur Wand auszuführen" (Side panel is also to be executed to the wall below). A side view at the bottom shows the mirror assembly mounted on a wall, with a callout line pointing to the side panel.

Ablageschrank - Variante mit 1 offenem Regal einseitig

Technical drawing of a bathroom vanity unit. The unit is shown in a top-down view with dimensions in centimeters. The overall width is 120 cm and the height is 90 cm. The unit consists of a central white mirror area (Spiegel) and two side panels, one orange and one yellow. The mirror area is 42 cm wide and 84 cm high. The side panels are 24.5 cm wide and 29 cm high. The unit is mounted on a wall with a 1 cm gap. A side panel (Seitenblende) is also shown extending below the main unit, with a note indicating it is also to be executed under the wall. The drawing includes a section line A-A and a detail view of the side panel.

Technical drawing of a mechanical part, likely a cross-section of a shaft or a similar component. The drawing shows a central circular feature with a diameter dimension of 100. Above this feature, there is a rectangular section with a height dimension of 20. The drawing includes various lines indicating the geometry and boundaries of the part, including a dashed line representing a hidden feature. A red cloud symbol is present on the right side of the drawing, possibly indicating a specific material or a note.

Ablageschrank - Variante mit offenen Regalen beidseitig

Technical drawing of a kitchen unit layout. The drawing shows a side view of a kitchen unit with a sink, a stove, and a refrigerator. The dimensions are as follows:

- Overall width: 84
- Overall height: 120
- Sink unit width: 25
- Stove unit width: 25
- Refrigerator unit width: 29
- Refrigerator unit height: 28
- Refrigerator unit depth: 1
- Refrigerator unit width (internal): 29
- Refrigerator unit height (internal): 28
- Refrigerator unit depth (internal): 1
- Refrigerator unit width (external): 29
- Refrigerator unit height (external): 28
- Refrigerator unit depth (external): 1
- Refrigerator unit width (total): 29
- Refrigerator unit height (total): 28
- Refrigerator unit depth (total): 1

Technical drawing of a bathroom vanity unit. The unit features a central mirror labeled "Spiegel" with a width of 42 and a height of 80. The mirror is flanked by two storage compartments: an orange one on the left and a yellow one on the right, each with a width of 25. The entire unit is mounted on a wall, with a total width of 14.5 and a total height of 120. The drawing includes dimensions for the mirror, the storage compartments, and the overall unit. It also shows a side view of the unit, indicating its depth of 25. The unit is shown in a perspective view, with a side view below it showing the mirror and storage compartments. The side view shows the mirror and storage compartments with dimensions 25, 42, and 80. The side view also shows the mirror and storage compartments with dimensions 25, 42, and 80. The side view also shows the mirror and storage compartments with dimensions 25, 42, and 80.

Technical drawing of a road cross-section. The road width is 20m. The central drainage ditch is 80m wide at the base, with 40m on each side of the centerline. The road surface is indicated by a dashed line.

Schnitt 1-1

Ablageschrank - Variante Adipositas Bad

Technical drawing of a rectangular object, likely a component of a machine. The drawing shows a top view with dimensions: 29 (width), 22 (height), 14.5 (width of the left flange), 26 (width of the right flange), and 3.5 (thickness of the right flange). A small rectangular feature is visible on the right side of the main body.
