

AUFSTOCKUNG  
UND SANIERUNG  
WALTER-ERBE-SCHULE  
72072 TÜBINGEN

The drawing is a technical architectural section of a building. It shows various structural elements like walls, floors, and roof. A prominent red rectangular area is highlighted in the upper-middle part of the section, indicating a specific zone of interest for the project, likely the area of reinforcement or structural change mentioned in the title. The drawing is a black and white line drawing with some color coding (red and black) used to highlight specific areas.
